Moddershall Oaks

*Once Experienced
Never Forgotten...*

Peaceful Surroundings

Welcome to Moddershall Oaks... transformed from a country property into a boutique spa with luxury bedroom suites in the heart of the country.

Moddershall Oaks is immersed in 72 acres of private woodland & parkland providing a beautifully tranquil setting, while natural light & breathtaking views provide a relaxing feel from the inside.

Stroll down our woodland trail in 'School House' wood, a quiet stroll & you might spot our resident wildlife.... Feed the fish in our lake to the front of the property, try to spot our giant catfish.... For the more active, play tennis at the wood's edge, or cycle into the village of Moddershall for a scenic look at the local area..... Don't let the British weather deter you, borrow wellies & an umbrella for a stroll in the rain.

Melt Away Your Stresses

Swim, eat, sleep, read, workout... this is **your** time.

A personal service & an intimate environment means you really can forget about the outside world. Moddershall Oaks is all about pampering & indulging yourself. We wait on you, so you are free to relax.

The energetic amongst you can take advantage of our state of the art gym with Technogym Wellness System. When that's all done drift into our relaxation lounge & curl up with a good book, snuggle up & watch a film on our portable DVD player or simply have a snooze.
